Elementary
2011 – 2017

> *3rd-year IT student specializing in project management, hardware systems, and full-stack development. Experienced in leading cross-functional capstone teams and delivering software solutions for real-world civic challenges.*

PROFESSIONAL EXPERIENCE

Toyota Valenzuela Inc. | On-the-Job Training

IT Finance & IT Department Intern | June 29 – November 5, 2026

- Contributed to the PC Credentials Inventory Application and finalized features, updates, and checks for the MS Keys Inventory Application.
- Supported IT operations through Windows optimization, hardware/software troubleshooting, IP configuration, network setup, cable crimping, wire management, and equipment relocation.
- Used SAP and Excel for BRP data encoding, service-ticket monitoring, finance records, and IT asset inventory; audited transactions against receipts, bank records, petty cash forms, and MIRO/USP documentation.
- Organized and digitized financial documents, verified audit records for completeness, and designed promotional brochures for Toyota vehicle accessories.

PROJECTS

iDetect – OCR-Based Discount ID Verification

Technical Lead | *2026 – Present*

- Multi-portal web application detecting fraudulent Senior Citizen & PWD IDs using Tesseract OCR, OpenCV, and fuzzy text matching.
- Conducted stakeholder interviews with OSCA and PDAO government offices to gather system requirements.

Mataya-Taya Spin-Off – Endless Runner Game

Project Manager | *2025*

- Managed production of a nostalgic Filipino pixel-art endless runner game inspired by the classic street game Taya-Taya.
- Oversaw cross-platform development for both PC and mobile, led by Bagani Studios.

The Smile I Didn't Mean to Show – Immersive Story Game

Project Manager | *2025*

- Led project management for a narrative-driven immersive story game developed by Bagani Studios.

Personal Portfolio Website

Individual Project | *2025*

- Designed and built a personal portfolio site using HTML, CSS, and JavaScript.

Maricopa Restaurant Website

Pair/Group Project | *2025*

- Developed a restaurant website featuring menus and business information.
